Work easy. Play hard.  Windows

# breaking barriers between people and technology

Acer is a leading global consumer technology brand that enhances people's lives with the very best hardware, software and services. We offer the latest technology, broadest product portfolio and a progressive design with digital tools for everyone. From basic solutions to high performance, from wearable devices to projectors, from 1" to 100".

We encourage our customers to explore their potential and the world around them as easy as possible. We want people to feel free and comfortable with whatever they do wherever they are.

## get your content everywhere

Acer's BYOC™ ecoSystem and the AcerCloud open the next dimension of cloud computing. It will allow easily to create an own connected universe. Get your apps, share your contents anytime and anywhere.

We believe design starts with the first touch, grip and click. Only the first impression, the usability, and the seamless execution of our ideas create a successful design. Every detail in a product needs to communicate with someone's vision, work ethic and lifestyle. Keeping that in mind, we shape and model our products for explorers, pioneers and trendsetters, like you!

## progressive Design

## Best in class services

A brand you can trust. It is our duty to serve and support all our customers. Therefore, transparency, quality and service competency is essential to create lasting relationships with customers.

Reliable and lasting products, professional support and friendly service are equally important to us.

# Iconia Tab 8

With the Iconia Tab 8 and its brilliant 8" 1920 x 1200 Full HD display\*, life is sharper. The Acer Iconia Tab 8 is ready for your next adventure. Creating and sharing is a pleasure with dual cameras and speakers. Powerful, premium, and petite – live life to the fullest with the Iconia Tab 8.

## Clarity meets brilliance

The Iconia Tab 8 is designed to enthrall. The slim tablet truly brings your favourite memories to life with its brilliant 1920 x 1200 Full HD display\*. Its advanced anti-fingerprint coating protects every stunning detail of your videos, images and text. No matter where life takes you, the Iconia Tab 8 stays sharp and is ready to capture and share your adventures.

The Iconia Tab 8 powers your digital life. Never sacrifice performance on-the-go with the smooth Intel® Atom™ processor\* and 7.5 hours of battery life to match. Up to 2x faster wireless connection means you can share instantly with friends near and far. Android 4.4 (KitKat) connects the Iconia Tab 8 to more devices, in more locations to ensure you're always just a click away.

## Power meets speed

## TOUCH SHARPER

## Smart meets design

With its premium build and detailed metal case, the Acer Iconia Tab 8 is designed to impress. The elegant tablet fits comfortably in your hand and comes equipped with dual cameras and microSD™ card slot to capture and share as you please. Its sleek design includes dual speakers, combining for an immersive stereo sound experience.

# Iconia Tab 8 W

Work easy. Play hard.  Windows

Meet the Acer Iconia Tab 8 W, a full Windows 8.1 tablet for both work and play. It's light, thin and fast, designed to be your daily life companion. With both grab-and-go convenience and great media features, it's fully capable for all your professional and private needs.

## Productivity plus

An Intel® Atom™ quad-core processor gives you multitasking with better performance for running games, playing videos or web browsing. You also get Windows 8.1 with Bing and a one year subscription to Office 365\* Personal. Add in 8 hours of battery per charge and you're ready to go.

# Work and play on the go

## Sleek, slim and handy

The Iconia Tab 8 W has an attractive and simple design that's both slim and lightweight. The narrow bezel allows a larger display that you can still hold comfortably in one hand. What's more, the stylish and functional tactile pattern on the back also makes it easier to hold.

## Enjoyable entertainment

With an 8-inch 1280 x 800 HD display that uses IPS\*\* technology to produce vivid colours from any angle, you can enjoy and share photos and videos alone or with friends. Add to that the immersive sound experience produced by dual stereo speakers, and your gaming, videos and music become truly entertaining.

### Iconia Tab 8 W (W1-810)

# TOUCH MORE

# VERSATILE

## Designed to excel

This convertible notebook meets the high audio and visual standards required for Skype Certification. Every word will be heard clearly with no gap or lag in speech, minimal background noise, and no echo. Audio channel output automatically reverses when display is flipped over, and video reverses automatically as well.

## Designed to assist

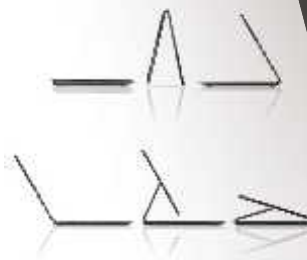

Make your life easier: Acer Touch Tools capture and share all of your images and media and the precision touchpad makes navigation effortless. It is built to the highest standards and is strong and robust. Discover how much easier life can be with the Aspire R 14.

# Aspire R 13

Work easy. Play hard.  Windows

With six different modes, finding the best way to work is simple. Tailor your needs and convert your Aspire R 13 into notebook, Ezel™, stand, pad, tent or display and work, play, read, draw and present with a twist. Masterfully crafted with premium features such as Corning® Gorilla® Glass 3, a WQHD screen and the Acer Active Pen, the Aspire R 13 is a device that just might change your life.

## TOUCH MORE

## INTELLIGENT

### Masterfully built

The 13" screen is protected with Corning® Gorilla® Glass 3 and the super-crisp WQHD touch display gives wide viewing angles and reduced screen glare with high contrast. The Aspire R 13's screen also features a special anti-fingerprint coating to keep your display cleaner and clearer.

### Brilliantly creative

Boost your creativity with the Aspire R 13. The intuitive Acer Active Pen® allows seamless, precise input, so you can do your most creative work without tools getting in the way, and the Precision Touchpad (PTP) enables

smooth scrolling and navigation. Finally, the advanced Acer Purified Voice provides crystal-clear communication, so you can collaborate effectively.

## The future of flexibility

Thanks to its innovative Ezel Aero Hinge™, you can convert the Aspire R 13 to meet your exact needs in a flash. It is robust, fast and flexible, simply twist, fold or unfold it into your choice of 6 different modes so you can work more conveniently with the touch screen closer to you, enjoy a movie with the perfect viewing angle – or share work more easily with your colleagues.

- 2 MP, front-facing camera
- Micro HDMI™, Micro USB 3.0 (tablet) and USB 2.0 (docking), microSD™ (up to 128 GB)

### Accessories (optional)

- Acer Snap Case
- Anti-glare protective film
- Micro USB-LAN cable
- Micro HDMI™-VGA cable
- Acer Active Stylus pen
- AC adapter traveller pack

# TOUCH MORE DYNAMIC

## Stunning 12.5" FHD display

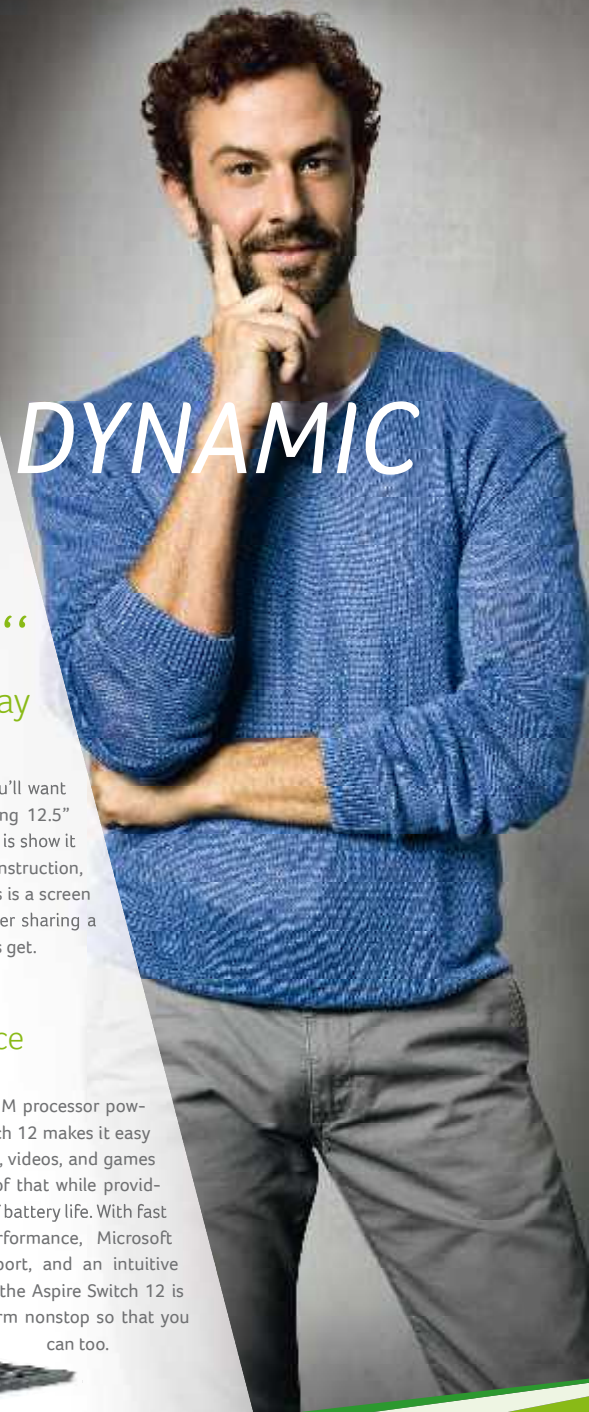

The first thing you'll want to do with the stunning 12.5" Full-HD display on the Aspire Switch 12 is show it off to others. With its striking size, Gorilla® Glass 3 construction, Zero Air Gap design, and IPS® display technology, this is a screen that fills every room and draws in every eye. Whether sharing a movie or a presentation, this is as stunning as displays get.

## Outstanding performance

The new Intel® Core™ M processor powering the Aspire Switch 12 makes it easy to run multiple apps, videos, and games without delay. All of that while providing over 8 hours of battery life. With fast and fanless performance, Microsoft InstantGo® support, and an intuitive 2-in-1 design, the Aspire Switch 12 is built to perform nonstop so that you can too.

# Aspire Switch 11

Work easy. Play hard.  Windows

↘ ↗ ↙ ↚ 4 MODES

The Aspire Switch 11 is the perfect blend of notebook and tablet, seamlessly fitting into every situation. With smooth transitions between four unique modes, the Aspire Switch 11 is built to support your dynamic work needs and lifestyle.

## Enhanced productivity

Be your most efficient and productive with the Aspire Switch 11, optimised for your dynamic work needs. The powerful 4th generation Intel® Core™ processor fuels your multitasking, and the battery life ensures that the Aspire Switch 11 is always ready to go. Navigate effortlessly with the comfortable chiclet keyboard, Precision Touchpad, and optional Acer Active Pen.

## Ingenious design

The Aspire Switch 11 boasts design that is not only beautiful, but also smart. Transitioning between four modes is easy and seamless with the magnetic, latchless Acer Snap Hinge™. Corning® Gorilla® Glass 3 provides tough protection, and a brush-stroke design on the back cover adds a touch of elegance, so you can work in style.

# TOUCH MORE FREEDOM

## Smooth versatility

Combine outstanding style and easy functionality and you get the Aspire Switch 10. The Acer Snap Hinge™ provides seamless transitions with its latchless docking and magnetic detachable design. With 4 unique modes the Aspire Switch 10 is a stylish travel companion.

## Dynamic productivity

With its smart convertible design, the Aspire Switch 10 performs when you need it most. A comfortable keyboard and touchpad make navigation a breeze, and the Intel® Atom™ processor powers your multitasking from mode to mode. Automatic updates from Windows 8.1 with Microsoft Instant Go\*\* keep you on schedule no matter where life takes you.

# Aspire V Nitro

By combining rugged construction with a high-performance processor, the Aspire V Nitro is a truly cutting-edge notebook. Its razor-thin aluminium body is incredibly strong and stable. The Aspire V Nitro is designed to look as stunning as it performs and has a sensuous soft black matte cover to contrast with its aluminium frame. It boasts a full HD display and backlit keyboard. With a powerful Intel® Core™ processor up to i7\*, 2x2-way WiFi connectivity and gaming-grade NVIDIA GeForce graphics card, this device has the power, performance and looks to meet your every need, be it work, rest or play. However you use it, you will appreciate its vision-enhancing technologies and Dolby® Digital Plus Home Theater™ that delivers one of the most immersive on-the-go surround sound cinema experiences around.

## Designed to astound

The Aspire V Nitro is designed to look as stunning as it performs. From its streamlined razor-thin body to its striking black top cover and smooth aluminium trim, this is a stylish notebook that exudes style from every angle. Using state-of-the-art NIL (Nanoimprint Lithography) technology, the cover is soft to the touch and contrasts perfectly with the aluminium frame. The result is a stunning package of looks and textures. Its spacious red-backlit keyboard offers you improved functionality under low-light conditions so you can work more comfortably and stay productive whenever and wherever you need to use it.

## Designed to accelerate

Featuring the powerful 4<sup>th</sup> generation Intel® Core™ processors up to i7\*, NVIDIA® GeForce® GTX 850M graphics card\* and super-fast 2x2 way WiFi connectivity, the Aspire V Nitro offers you all the power and performance you need to work, stay on top of your social life or immerse yourself in play. And additionally you get faster access with generous storage. For fast wake-up and added speed with up to 256 GB SSD, expand or share more content with up to 1.5 TB HDD.

# Aspire Z3

Work easy. Play hard.  Windows

Welcome the Aspire Z3-615 into your home and put a new level of family-friendly multimedia entertainment right at everyone's fingertips. Its 23" Full HD touchscreen\* delivers stunning quality images enhanced by Acer's CineBoost Colour Engine. Its front-facing Hi-Fi speakers with Dolby Digital Plus and Home Theater produce crystal-clear cinematic sound. The ten-point multi-touch screen\* is simple to use and intuitive. The Aspire Z3's flexible stand can be adjusted from -5 to 25 degrees and the screen can be viewed clearly from wider angles. Whether it's games, music, films or fun: you will entertain and amaze the whole family.

## Fantastic multimedia

The Aspire Z3-615 has a 23" full HD display with Acer CineBoost Colour Engine giving consistent accurate colour, and even when viewed from different angles, the screen remains sharp and clear. NVIDIA® and GeForce® 840M or AMD Radeon™ R5 A240\*\*\* guarantee gorgeous graphics and high-quality, fast, vivid and smooth multimedia fun, be it watching movies, browsing through photographs or gaming.

## Cinematic acoustics

Enjoy all the audio thrills of the cinema whenever your family gets together in front of the Aspire Z3-615 to watch a movie. Thanks to advanced Dolby® Digital Plus audio technology, it serves up cinematic sound with all the detail of the movie's original soundtrack via two powerful front-facing high fidelity speakers. As a result, everyone gathered around its screen can immerse themselves in fully optimised cinematic audio.

### Aspire Z3 (Z3-615)

- up to 4th generation Intel® Core™ i7 4785T processor

# Liquid Jade

From the moment you lay your hands on this elegant smartphone you'll feel emotionally connected to your world like never before. Offering you the utmost of both form and function, the Liquid Jade packs all the performance you need to live an always-on digital life into a body that's just 7.5 mm slim. Ergonomically styled with fluid curves, the Liquid Jade is a 3-dimensional visual and tactile delight that's designed to fit as elegantly into your life as it does in the palm of your hand. Feel a closer connection to your world as you effortlessly browse the Web with one finger and connect with your friends on its beautifully bright 5" curved-glass Smooth Touch display. Featuring a stunning 13 MP camera, the Liquid Jade is also always on hand to help you capture amazing moments in the lasting quality they deserve – whenever and wherever they happen.

## Elegant ergonomic design and Smooth Touch

Ergonomically crafted to perfectly fit your hand and lifestyle, the Liquid Jade is design that you can truly feel. Its ultra-thin 7.5 mm curved body weighs a feather-light 120 g and moulds immersively into your palm for easy one-handed use, while operation is an absolute joy for your fingers on its ultra-responsive curved-glass 5" Smooth Touch display. Staying in touch with your world has never felt so good.

## Beautifully bright 5" display

The Liquid Jade's extra-bright 5" display is precision-engineered to let you experience your world more vividly than ever. Its ergonomically curved Smooth Touch glass screen is specially attached to the LCD panel using state-of-the-art Zero Air Gap bonding technology, which eliminates reflections and enhances contrast and brightness. What's more, clever IPS® (in-plane switching) technology extends your viewing angle so anything you watch or share with your friends will look just as vivid and bright from wide angles.

# TOUCH MORE EMOTION

## 13 MP camera for capturing amazing moments

Because amazing moments can happen anywhere and anytime, the Liquid Jade is fully-equipped with a high-end 13 MP camera to help you capture them in the very best and brightest quality – instantly. Ultra-fast 0.3 second focusing puts you in supreme control of every photo opportunity, while a special Bright Magic feature lets you capture brighter images even in low light. You can even directly adjust focus and exposure levels on the Liquid Jade's touch screen using just one finger.

# Liquid Z 500

This beautifully formed smartphone isn't just designed to let you move with your music – it's fully tuned with the latest high-definition audio technologies to make sure your music moves you. Immerse yourself in true HD sound wherever you go thanks to lossless FLAC\* playback, and be moved by superior CD-quality audio that retains all the nuances of your favourite artists' original recordings. Packing a sumptuous 5" HD display and extra-bright 8 MP camera into a body that's just 8.65 mm thin, the Liquid Z500 is also no One-Hit Wonder. It lets you truly immerse yourself in the best HD video and Web content – and capture your life on the go in lasting quality.

## True HD music playback

Because life is nothing without a great soundtrack, the Liquid Z 500 makes no audio compromises. It offers you lossless native FLAC\* playback so you can hear all the HD audio detail that mp3 can't deliver and serves it up to your ears in superior quality via an HD front speaker with built-in amplifier and DTS Studio Sound™.

## TOUCH MORE SOUND

### Immersive 5" HD display

Lose yourself in the best video and image content the Web has to offer on the Liquid Z 500's stunning high-contrast 5" HD display – or share its awesome views with your mates. Clever IPS\*\* technology extends your viewing angle and ensures images are consistently crisp, bright and colourful – so anything you choose to watch or share with your friends will always look amazing from any angle.

### Extra-bright 8 MP camera

Because amazing moments can happen at any time of the day or night, the Liquid Z 500 has an extra-bright 8 MP camera to help you capture them in lasting quality. Perfect for recording your adventures on nights out with your mates, the camera also has a special Bright Magic feature you can activate in low-light conditions to make sure you always get a clear and bright shot.

## Acer Crunch Keyboard:

In one movement, this clean and simple optional Bluetooth keyboard folds into a stand to offer a notebook-like typing experience. Available for Android and Windows devices.

## Acer Fine Writing Stylus:

Write easily, swipe, scroll up and down on your touchscreen and always stay precise and highly productive.

## Acer Active Stylus Pen:

Draw, paint and take notes with professional precision – or take control of your device with the freedom of a stylus or mouse. This optional accessory provides you with force-sensing accuracy for accurate drawing plus hover-click control and palm rejection for precision writing. Thanks to its pen-enabled software, you can instantly access applications via buttons directly on the pen – for more convenient, fun and productive operation.

## Protective Film Set:

No more disturbing reflections! The anti-glare protective film comes with a convenient kit that helps you position the film on the screen of your device and leaves no glue traces. In addition, it protects the surface of your screen against scratches.

## Acer cables and dongles:

Whether you need to connect your phone to your USB port for charging, attach a second monitor, or sync with other devices, Acer's cables and dongles will get the job done smoothly.

## Protective Case:

Need to go out with your Tablet?

The optional portfolio case protects the sides, corners and screen and enables you to place your tablet in an upright position to enjoy your movies at an easy-to-view angle.

To match your style, the portfolio case is available in black, white, red, pink, blue and green.

## Acer bags and Covers:

Acer bags and covers are made with water-resistant synthetic leather, are shock-proof, and feature smartly arranged compartments. They also come in colors and styles that will excite the senses. Go light, organized, and with peace of mind knowing that your Acer notebook and/or tablet is well protected.

## AC Adapter traveller pack:

The Adapter Travel Kit expands your digital horizons by providing you with EU, UK and US plugs so you can power your tablet virtually anywhere. Easy to pack, it's the perfect accessory for today's connected world traveller.

## Acer Bumper case:

Stylish and colorful, the Acer Bumper case protects your device from shocks and slippery fingers. It perfectly fits with your tablet and leaves the I/O ports accessible. The Acer Bumper case is available in black, white, red, pink, blue and green.
